

# Two-Digit Addition with Regrouping

Tens	Ones
	
$+$ 	
$1$	
$3$	$8$
$+$ $2$	$5$
$6$	$3$

1. First, add the ones.
2. If the sum is more than ten ones, regroup 10 ones as 1 ten and carry it to the tens column.  
 $10 \text{ ones} = 1 \text{ ten}$
3. Write the remaining ones.
4. Add the tens.
